

## NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

We are required by law to maintain the privacy of your protected health information, to notify you of our legal duties and privacy practices with respect to your health information, and to notify affected individuals following a breach of unsecured health information. This Notice summarizes our duties and your rights concerning your information. Our duties and your rights are set forth more fully in 45 CFR Part 164. We are required to abide by the terms of our Notice that is currently in effect.

**1. Uses and Disclosures We May Make Without Written Authorization.** We may use or disclose your health information for certain purposes without your written authorization, including the following:

**Treatment.** We may use or disclose your information for purposes of treating you. For example, we may disclose your information to another health care provider so they may treat you; to provide appointment reminders; or to provide information about treatment alternatives or services we offer.

**Payment.** We may use or disclose your information to obtain payment for services provided to you. For example, we may disclose information to your health insurance company or other payer to obtain pre-authorization or payment for treatment.

**Healthcare Operations.** We may use or disclose your information for certain activities that are necessary to operate our practice and ensure that our patients receive quality care. For example, we may use information to train or review the performance of our staff or make decisions affecting the practice.

**Other Uses or Disclosures.** We may also use or disclose your information for certain other purposes allowed by 45 CFR § 164.512 or other applicable laws and regulations, including the following:

- As required by state or federal law such as reporting abuse, neglect or certain other events.
- As allowed by workers compensation laws for use in workers compensation proceedings.
- For certain public health activities such as reporting certain diseases.

**2. Disclosures We May Make Unless You Object.** Unless you instruct us otherwise, we may disclose your information as described below.

- To a member of your family, friend, or other person who is involved in your healthcare or payment for your healthcare. We will limit the disclosure to the information relevant to that person's involvement in your healthcare or payment.

- To maintain our facility directory. If a person asks for you by name, we will only disclose your name, general condition, and location in our facility. We may also disclose your religious affiliation to clergy.
- To contact you to raise funds for our facility. You may opt out of receiving such communications at anytime by notifying the Privacy Officer identified below.

**3. Uses and Disclosures with Your Written Authorization.** Other uses and disclosures not described in this Notice will generally be made only with your written authorization, including most uses or disclosures of psychotherapy notes; for most marketing purposes; or if we seek permission to sell your information. You may revoke your authorization by submitting a written notice to the Privacy Contact identified below. The revocation will not be effective to the extent we have already taken action in reliance on the authorization.

**4. Substance Use Disorder Records.** SUD treatment records received from programs subject to 42 CFR part 2 may be subject to additional protection. Subject to certain exceptions, such records generally require the patient's consent before they are disclosed. In addition, such records or testimony relating the content of such records shall not be used or disclosed in civil, criminal, administrative, or legislative proceedings against the individual unless based on written consent, or a court order after notice and an opportunity to be heard is provided to the individual or the holder of the record, as provided in 42 CFR part 2. A court order authorizing use or disclosure must be accompanied by a subpoena or other legal requirement compelling disclosure before the requested record is used or disclosed.

**5. Redisclosure.** Information disclosed with or without your authorization as set forth above may be subject to redisclosure by the recipient and no longer protected by state or federal laws.

**6. Your Rights Concerning Your Protected Health Information.** You have the following rights concerning your health information. To exercise any of these rights, you must submit a written request to the Privacy Officer identified below.

- You may request additional restrictions on the use or disclosure of information for treatment, payment or healthcare operations. We are *not* required to agree to the requested restriction except in the limited situation in which you or someone on your behalf pays for an item or service, and you request that information concerning such item or service not be disclosed to a health insurer.
- We normally contact you by telephone or mail at your home address. You may request that we contact you by alternative means or at alternative locations. We will accommodate reasonable requests.
- You may inspect and obtain a copy of records that are used to make decisions about your care or payment for your care, including an electronic copy, and such record will be provided in compliance with Montana law. Except as prohibited by Montana law, we may charge you a reasonable cost-based fee for providing the records. We may deny your request under limited circumstances, e.g., if we determine that disclosure may result in harm to you or others.
- You may request that your protected health information be amended. We may deny your request for certain reasons, e.g., if we did not create the record or if we determine that the record is accurate and complete.
- You may receive an accounting of certain disclosures we have made of your protected health information. You may receive the first accounting within a 12-month period free of charge. We may charge a reasonable cost-based fee for all subsequent requests during that 12-month period.
- You may obtain a paper copy of this Notice upon request. You have this right even if you have agreed to receive the Notice electronically.

**7. Changes to This Notice.** We reserve the right to change the terms of this Notice at anytime, and to make the new Notice effective for all protected health information that we maintain. If we materially change our privacy practices, we will post a copy of the current Notice in our reception area and on our website. You may obtain a copy of the operative Notice from our receptionist or Privacy Officer.

**8. Complaints.** You may complain to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated.
